Moorebank Precinct East - Stage 2 Proposal

Survey Plan

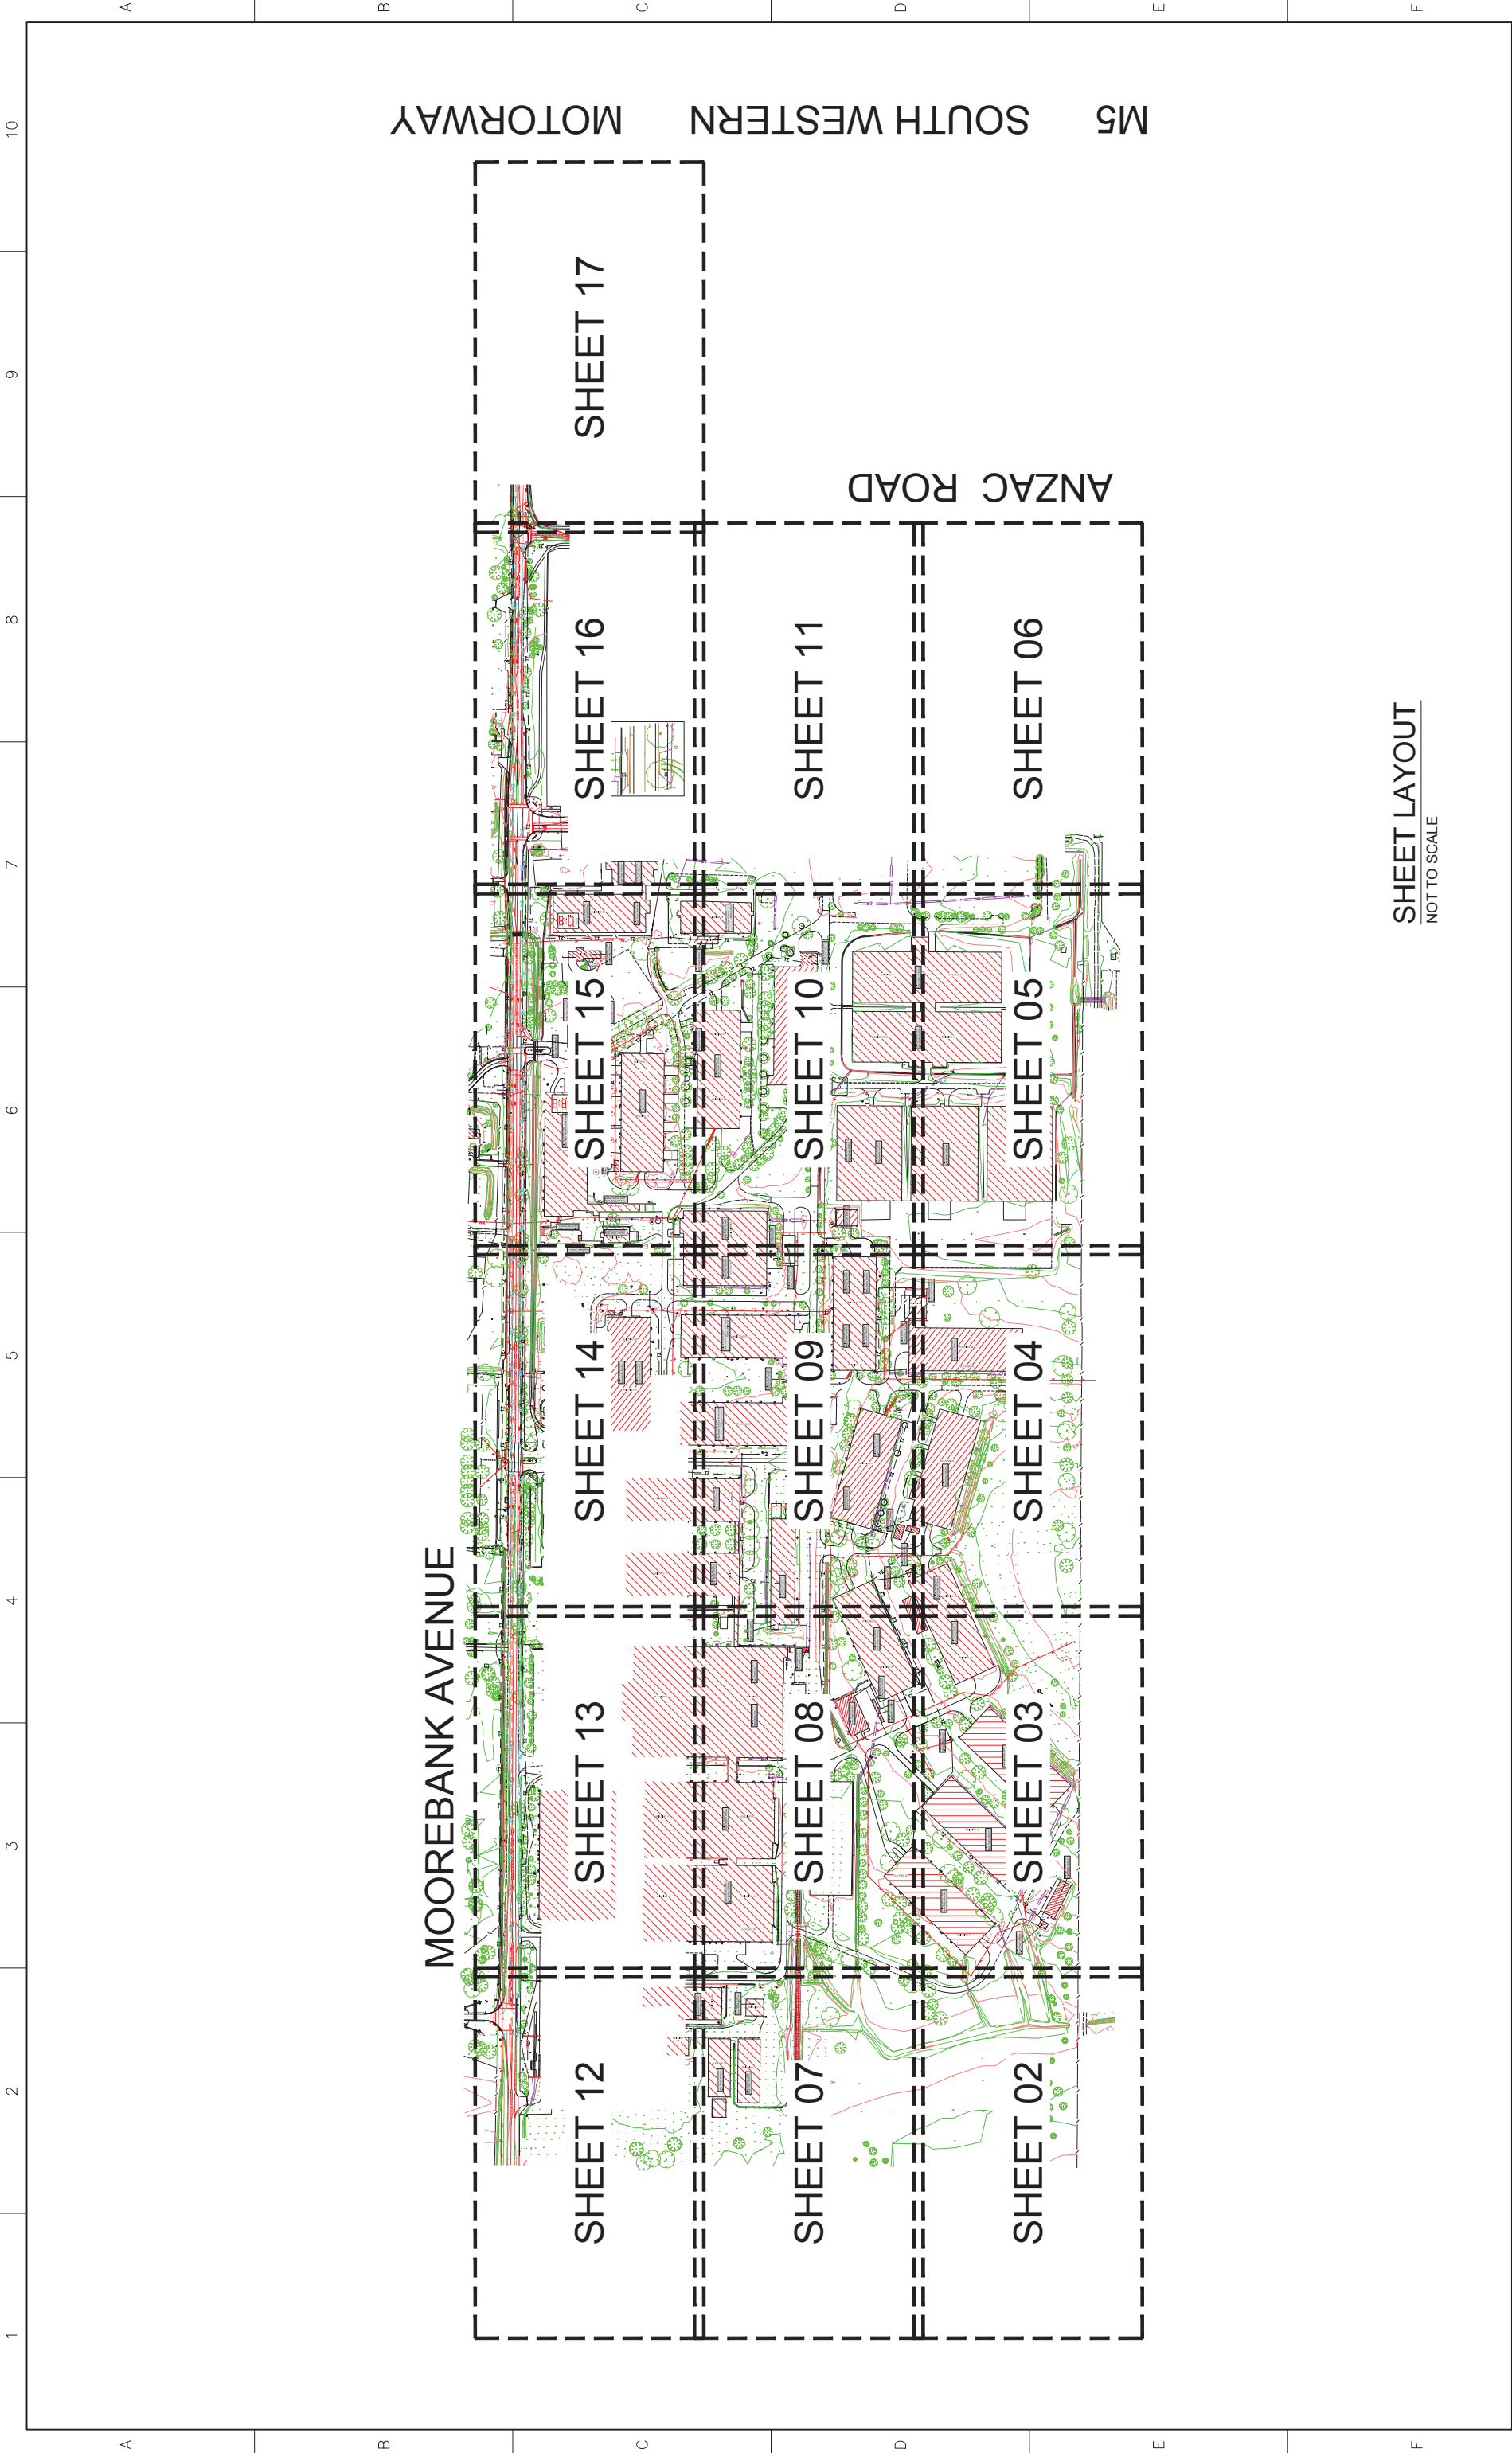

SIMTA

SYDNEY INTERMODAL TERMINAL ALLIANCE

Part 4, Division 4.1, State Significant
Development

December 2016

This page has been left blank intentionally

SHEET LAYOUT
NOT TO SCALE

IMPORTANT NOTE: This drawing is for TACTICAL PROJECT MANAGEMENT only. It is not to be used for design or construction purposes. It is a summary of the existing conditions and should not be used for any new construction. The site boundaries shown hereon were not marked by the author at the time of survey and have been determined by plan dimensions only and not by field measurement.

A services search of the area surveyed above has not been undertaken. Visible services shown hereon have been located where possible by field survey. Prior to any demolition, excavation or construction on the site, the location of all services and any other possible location of further underground services and detailed locations of all services. This note is an integral part of this plan.
