

# Partial Development Consent

## **Section 4.38 of the Environmental Planning and Assessment Act 1979**

The Independent Planning Commission (the Commission), as the declared consent authority under clause 8A of the *State Environmental Planning Policy (State and Regional Development) 2011* and section 4.5 (a) of the *Environmental Planning and Assessment Act 1979*, approves the specified part or aspect of the development application referred to in Schedule 1 under section 4.16 (5) of the *Environmental Planning and Assessment Act 1979*, subject to the conditions in Schedule 2.

These conditions are required to:

- prevent, minimise, or offset adverse environmental impacts;
- set standards and performance measures for acceptable environmental performance;
- require regular monitoring and reporting; and
- provide for the ongoing environmental management of the development

## SCHEDULE 2

### PART A ADMINISTRATIVE CONDITIONS

#### OBLIGATION TO MINIMISE HARM TO THE ENVIRONMENT

- A1. In addition to meeting the specific performance measures and criteria in this consent, all reasonable and feasible measures must be implemented to prevent, and if prevention is not reasonable and feasible, minimise, any material harm to the environment that may result from the construction and operation of the development, and any rehabilitation required under this consent.

#### TERMS OF CONSENT

- A2. The development may only be carried out:
- (a) in compliance with the conditions of this consent;
  - (b) in accordance with all written directions of the Planning Secretary;
  - (c) in accordance with the EIS and Response to Submissions; and
  - (d) in accordance with *Subdivision Ancillary Report – Moorebank Precinct East Stage 2 (SSD 7628)* (Aspect Environmental, August 2018), *MPE Stage 2 Subdivision Application* (SIMTA, 12 December 2018), *MPE Stage 2 SSD 7628 – Subdivision* (SIMTA, 19 December 2018), and *Plan of Proposed Final Subdivision* (Tactic Group, 12 February 2019) inclusive of the Subdivision Plan.
- A3. Consistent with the requirements in this consent, the Planning Secretary may make written directions to the Applicant in relation to:
- (a) the content of any strategy, study, system, plan, program, review, audit, notification, report or correspondence submitted under or otherwise made in relation to this consent, including those that are required to be, and have been, approved by the Planning Secretary; and
  - (b) the implementation of any actions or measures contained in any such document referred to in condition A3(a).
- A4. The conditions of this consent and directions of the Planning Secretary prevail to the extent of any inconsistency, ambiguity or conflict between them and a document listed in condition A2(c) or A2(d). In the event of an inconsistency, ambiguity or conflict between any of the documents listed in condition A2(c) and A2(d), the most recent document prevails to the extent of the inconsistency, ambiguity or conflict.

*Note: For the purposes of this condition, there will be an inconsistency between documents if it is not possible to comply with both documents, or in the case of a condition of consent or direction of the Planning Secretary, and a document, if it is not possible to comply with both the condition or direction, and the document.*

#### LIMITS OF CONSENT

- A5. This partial consent does not authorise the carrying out of any construction works.
- A6. This partial consent allows staging of subdivision (Appendix 2) provided that, prior to the issue of any subdivision certificate (including the first and any subsequent subdivision certificates), the Applicant provides a revised Subdivision Plan and supporting information to the Planning Secretary for approval that clearly identifies that relevant estate works (including but not limited to site services, internal roads, pedestrian paths, landscaping, lighting of common areas, emergency services including bushfire mitigation, OSD and Water Sensitive Urban Design elements) for the proposed lot(s) have been completed.

The Applicant must not commence subdivision of the development until the revised Subdivision Plan and supporting information is approved by the Planning Secretary.

#### APPLICABILITY OF GUIDELINES

- A7. References in the conditions of this consent to any guideline, protocol, Australian Standard or policy are to such guidelines, protocols, Standards or policies in the form they are in as at the date of this consent.
- A8. However, consistent with the conditions of this consent and without altering any limits or criteria in this consent, the Planning Secretary may, when issuing directions under this consent in respect of ongoing monitoring and management obligations, require compliance with an updated or revised version of such a guideline, protocol, Standard or policy, or a replacement of them.

#### REPORTING AND AUDITING

##### Incident Notification, Reporting and Response

- A9. The Department must be notified in writing to [compliance@planning.nsw.gov.au](mailto:compliance@planning.nsw.gov.au) immediately after the Applicant becomes aware of an incident. The notification must identify the development (including the development application number and the name of the development if it has one), and set out the location and nature of the incident. Subsequent notification requirements must be given and reports submitted in accordance with the requirements set out in Appendix 4.

### **Non-Compliance Notification**

- A10. The Department must be notified in writing to [compliance@planning.nsw.gov.au](mailto:compliance@planning.nsw.gov.au) within seven days after the Applicant becomes aware of any non-compliance.
- A11. A non-compliance notification must identify the development and the application number for it, set out the condition of consent that the development is non-compliant with, the way in which it does not comply and the reasons for the non-compliance (if known) and what actions have been, or will be, undertaken to address the non-compliance.
- A12. A non-compliance which has been notified as an incident does not need to also be notified as a non-compliance.

## **ADVISORY NOTES**

- AN1.** All licences, permits, approvals and consents as required by law must be obtained and maintained as required for the development. No condition of this consent removes any obligation to obtain, renew or comply with such licences, permits, approvals and consents.

## PART B SPECIFIC ENVIRONMENTAL CONDITIONS

### SUBDIVISION CERTIFICATE

#### Requirements of *Environmental Planning and Assessment Act 1979* – Application for a Part 4A Certificate

- B1. In undertaking the subdivision approved under this consent, the Applicant must comply with the requirements of Part 4A of the *Environmental Planning and Assessment Act 1979* in relation to the issue of a Subdivision Certificate.

For the purposes of this approval, the issue of a Subdivision Certificate is restricted to the subdivision defined by Condition A2.

#### Subdivision Certificate

- B2. Before granting any Subdivision Certificate, the Certifying Authority must be satisfied that the Applicant has complied with all conditions of this consent that are required to be complied with and the relevant estate works (including but not limited to site services, internal roads, pedestrian paths, landscaping, lighting of common areas, emergency services including bushfire mitigation, OSD and Water Sensitive Urban Design elements) have been completed.

#### Statement of Compliance – Completion in Accordance with a Project Approval/Development Consent

- B3. Prior to the issue of a Subdivision Certificate, a Statement of Compliance shall be provided to the Certifying Authority demonstrating that the proposed subdivision is consistent with relevant conditions of any relevant planning approval/development consent (to the extent that they are relevant and required for that stage), including but not limited to MPE Stage 1 development consent, MPE Stage 2 development consent, the conditions of this consent, and MPE Concept Plan approval.

### EASEMENTS

- B4. The Applicant must create and display on the subdivision plan those particular easements as required, inclusive of the requirements of conditions B5-B9 of this consent. The easements must include those easements described for the whole of the MPE site in the 'Form of easement Instrument for subdivided lots of Lot 1 DP1048263' included in Appendix B of the Subdivision Ancillary Report – Moorebank Precinct East Stage 2 (SSD 7628) (Aspect Environmental, August 2018) and updated in *Plan of Proposed Final Subdivision* (Tactic Group, 12 February 2019).
- B5. The drainage easements must be consistent with the final drainage details approved by the Planning Secretary in relation to conditions A22, A23 and A24 of the MPE Stage 2 development consent.
- B6. The access easements must be consistent with the final access details approved by the Planning Secretary in relation to condition A22 of the MPE Stage 2 development consent.
- B7. Survey of drainage works (including OSD, channels and pipes and pits) and access works confirming the location of the works required in relation to the final approved versions of the amended development layout plans and design plans, amended WSUD plans and amended architectural plans required conditions A22, A23 and A24 of the MPE Stage 2 development consent shall be undertaken prior to the registration of the plan of subdivision.
- B8. Prior to the issue of a Subdivision Certificate, the Applicant must provide to the Certifying Authority and the Planning Secretary evidence from an independent subdivision engineer that the drainage and access easements are consistent with the final approved versions of the amended development layout plans and design plans, amended WSUD plans and amended architectural plans required conditions A22, A23 and A24 of the MPE Stage 2 development consent.
- B9. A section 88B instrument shall be placed on each lot requiring that the development of the lot shall be in accordance with the MPE Stage 1 development consent, MPE Stage 2 development consent and the conditions of this consent.
- B10. As part of the Subdivision certification process and prior to lodgement of the Subdivision Plan at the NSW Land Registry Services (LRS), the Applicant must prepare a section 88B instrument as a component of the Subdivision Plan for the creation of all relevant easements, restrictions and covenants. The Subdivision plan shall provide to the Certifying Authority and the Planning Secretary evidence that all easements required by this approval, and other licences, approvals and consents, have been lodged for registration or registered at the NSW Land Registry Services.

### UTILITIES AND SERVICES

- B11. Before the construction of any utility works associated with the MPE Stage 2 development, the Applicant must obtain relevant approvals from service providers.

#### Telecommunications

- B12. Before the issue of a Subdivision Certificate for the development, the Applicant (whether or not a constitutional corporation) is to provide evidence, satisfactory to the Certifying Authority, that arrangements have been made for:

- (a) the installation of fibre-ready facilities to all individual lots and/or premises in a real estate development project to enable fibre to be readily connected to any premises that is being or may be constructed on those lots; and
- (b) the provision of fixed-line telecommunications infrastructure in the fibre-ready facilities to all individual lots and/or premises in a real estate development project demonstrated through an agreement with a carrier.

B13. The Applicant must demonstrate that the carrier has confirmed in writing they are satisfied that the fibre ready facilities are fit for purpose.

#### **Sydney Water Compliance Certificate**

B14. Prior to issue of any Subdivision Certificate, a Section 73 Compliance Certificate under the *Sydney Water Act 1994* must be obtained from Sydney Water and shall be provided to the Certifying Authority demonstrating that the development has satisfied the detailed requirements of Sydney Water in respect to water and wastewater.

#### **Endeavour Energy Electrical Infrastructure**

B15. A Notification of Arrangement from Endeavour Energy must be obtained prior to lodgement of the subdivision plan.

#### **MANAGEMENT**

B16. Prior to issue of any Subdivision Certificate, a Precinct Operational Environmental Management Plan (OEMP) for the MPE Site must be prepared and submitted to the Secretary for approval. The OEMP must:

- (a) specify that Qube, or another nominated single entity named in the OEMP, retains sole responsibility for delivery and ongoing maintenance of estate works (including but not limited to site services, internal roads, pedestrian paths, landscaping, lighting of common areas, emergency services including bushfire mitigation, OSD and Water Sensitive Urban Design elements) across the entirety of the Site; and
- (b) prescribes the management and maintenance measures applicable to the estate works described at (a) above.

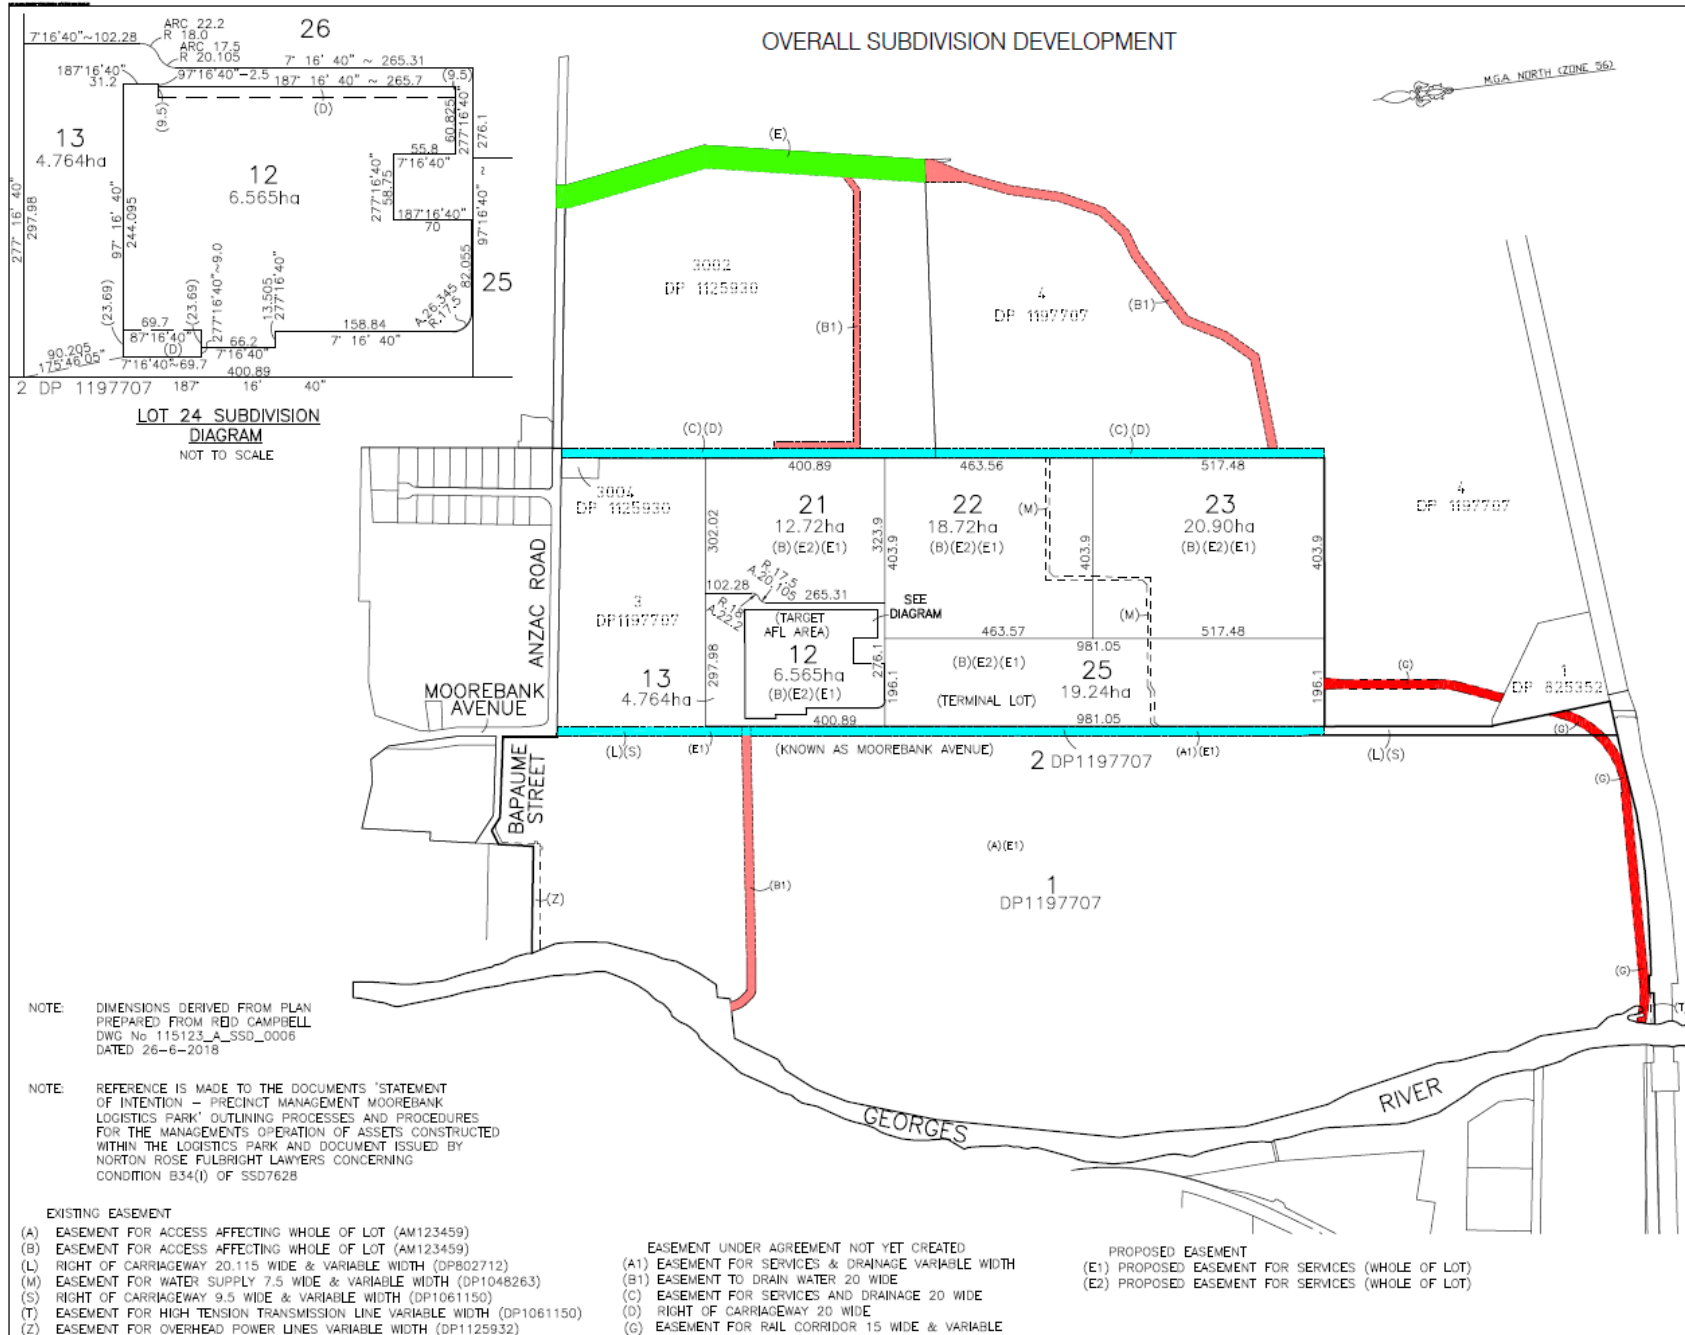

*Note:* The OEMP required under this condition may be incorporated within the OEMP prepared and implemented in accordance with condition C3 of the development consent SSD 7628 (MPE Stage 2), granted by the then Planning Assessment Commission on 31 January 2018, and the OEMP prepared and implemented in accordance with condition F4 of the development consent SSD 6766 (MPE Stage 1), granted by the Land and Environment Court per orders made on 13 March 2018.

B17. The Applicant must:

- (a) not commence operation or subdivision of the development until the OEMP is approved by the Planning Secretary; and
- (b) carry out the operation of the development in accordance with the OEMP approved by the Planning Secretary and as revised and approved by the Planning Secretary from time to time.

B18. The requirement to comply with the OEMP is to be registered on title.

## APPENDIX 4 INCIDENT NOTIFICATION AND REPORTING REQUIREMENTS

### WRITTEN INCIDENT NOTIFICATION REQUIREMENTS

1. A written incident notification addressing the requirements set out below must be emailed to the Department at the following address: [compliance@planning.nsw.gov.au](mailto:compliance@planning.nsw.gov.au) within seven days after the Applicant becomes aware of an incident. Notification is required to be given under this condition even if the Applicant fails to give the notification required under condition A9 or, having given such notification, subsequently forms the view that an incident has not occurred.
2. Written notification of an incident must:
  - a. identify the development and application number;
  - b. provide details of the incident (date, time, location, a brief description of what occurred and why it is classified as an incident);
  - c. identify how the incident was detected;
  - d. identify when the Applicant became aware of the incident;
  - e. identify any actual or potential non-compliance with conditions of consent;
  - f. describe what immediate steps were taken in relation to the incident;
  - g. identify further action(s) that will be taken in relation to the incident; and
