**Moorebank Intermodal Precinct West - Stage 2 (SSD-7709)
Revised Operation Compliance Monitoring and Reporting Program, Condition C9**

Dear [REDACTED]

I refer to the revised Operation Compliance Monitoring and Reporting Program (OCMRP) submitted to the Planning Secretary under condition C9 of SSD-7709.

I note the revised OCMRP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to annual review and Modification 3 determination;
- notes no reporting changes from the previous OCMRP version with the reporting schedule;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information required by condition C14.

Accordingly, as nominee of the Planning Secretary, I approve the revised Operation Compliance Monitoring and Reporting Program, Revision 04 dated 8 November 2024, under condition C9 of SSD-7709.

Please note that if there are any inconsistencies between the approved revised OCMRP and the conditions of consent, the conditions will prevail.

Also, please make the revised OCMRP and this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact [REDACTED] at [REDACTED]

Yours sincerely
