

Anzac Road closure & traffic switch April 2025

As part of the Moorebank Intermodal Precinct project, Anzac Road will be closed for a weekend shutdown during April between Moorebank Avenue and Delfin Drive.

Closure will be from:

7pm Friday 11 April until 5am Monday 14 April 2025

weather permitting. Project contractor, BMD Constructions, will be undertaking 24-hour pavement work to upgrade the Moorebank Avenue and Anzac Road Intersection.

This work has been scheduled outside of regular construction hours to minimise the impact to road users and local businesses.

Once the pavement is completed, we will be switching traffic at the intersection from Monday 14 April. (Details over page).

In the event this work cannot occur due to the weather, it will be undertaken during the same hours on the next weekend without public holidays (4-5 May) and any updates will be published on the project website.

What to expect

Access to Moorebank Avenue via Anzac Road westbound from Delfin Drive will be detoured via Wattle Grove Drive, Heathcote Road, M5 Motorway and Moorebank Avenue.

Access to Moorebank Avenue via Anzac Road eastbound from Moorebank Ave will be detoured via M5 Heathcote Road and Wattle Grove Drive.

Anzac Rd eastbound will be open **Friday** night between **7pm** and **12am**.

Moorebank Avenue between the M5 and Cambridge Road will remain open under stop / slow traffic control.

Work will involve saw cutting, excavating, road base installation and asphalt works, installing underground services that will require the use of construction vehicles, excavators, rollers, an asphalt paver, grader, compaction equipment, bogie trucks and lighting towers.

Moorebank Avenue will remain open at all times.

Detour map and proposed temporary bus stop locations are on back page.

This work will create additional background noise and traffic delays, please avoid the area if possible. Access to emergency vehicles remains as usual. We apologise for any inconvenience this may cause.

Where and when

Moorebank Avenue Upgrade

Moorebank Avenue and Anzac Road Intersection

Anzac Road closure & 24-hour work:

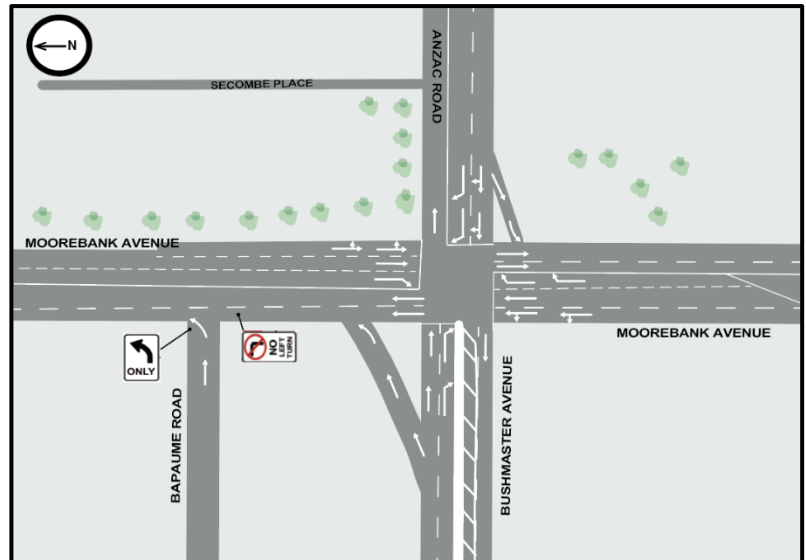

11 April - 14 April, weather permitting.

2-5 May (contingency)

Intersection changes

From **Monday 14 April** changes at the Moorebank Avenue and Anzac Road intersection include:

- New designated left turn slip lane from Anzac Road to Moorebank Avenue
- Anzac Road left westbound lane changed to straight and right turn
- Right southbound lane on Bushmaster Avenue temporarily closed

Bus stop changes

Bus stops on Anzac Road near Secombe Place will be temporarily moved east approximately 400 meters near Delfin Drive during the closures.

Keeping you updated
