Revised Construction Flora and Fauna Management Plan, Condition E33**

Dear [REDACTED]

I refer to the revised Construction Flora and Fauna Management Plan (CFFMP) submitted to the Planning Secretary under condition E33 of SSD-6766.

I note the revised CFFMP updates:

- were reviewed by the Applicant, and no issues were raised to the Department;
- include a Request for Minor Amendment (RfMA) and other administrative changes;
- were approved by the project's Environmental Representative under condition E4(e); and
- do not change the information contained in the CFFMP as required by condition E34(d).

Accordingly, as nominee of the Planning Secretary, I approve the updates to the revised Construction Flora and Fauna Management Plan, Revision 18 dated 15 January 2025, as per condition E33 of SSD-6766.

Please note that if there are any inconsistencies between the approved revised CFFMP and the conditions of consent, the conditions will prevail.

Also, please make the approved revised CFFMP including this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact [REDACTED] at [REDACTED] [@dpie.nsw.gov.au](mailto:[REDACTED]@dpie.nsw.gov.au).

Yours sincerely

As nominee of the Planning Secretary
