**Moorebank Intermodal Terminal Stage 1 (SSD 5066) - Early Works Completion Compliance Report - February 2025**

I refer to your Completion Compliance Report (SSD-5066-PA-56) (**Report**) submitted as required by Schedule 3, Condition A2(c)(iii) of SSD-5066 as modified (**Consent**) to the NSW Department of Planning, Housing and Infrastructure (NSW Planning) on 17 February 2025.

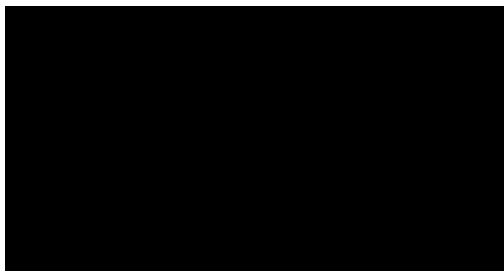

NSW Planning has reviewed the Completion Compliance Report and considers it to generally satisfy the reporting requirements of the Consent. Please make a copy of the Report publicly available on the company website.

Please note that the NSW Planning's acceptance of this Completion Compliance Report is not an endorsement of the compliance status of the project.

Acceptance of this Report does not preclude NSW Planning from taking an alternative enforcement action, should it become apparent that an alternative response is more appropriate.

Should you wish to discuss the matter further, please contact [REDACTED]

Yours sincerely
